SUBJECT: MUR 5479—24 Hour No Objection Errata

On Wednesday, March 9, 2005, the Commission approved the recommendations in the First General Counsel's Report in MUR 5479 ("Report") on a 6-0 tally vote basis and closed the file. This Office has become aware of errors in the Report's Recommendation Numbers 1, 3, and 4.

The narrative discussion in the Report explicitly recommends Commission actions as to "Friends of Wortman for Congress." See First General Counsel's Report dated March 4, 2005 at pages 3 (Report Recommendation Number 3) and 5 (Report Recommendation Numbers 1 and 4). See also page 1 (abbreviating "Friends of Wortman for Congress and Hedin E. Daubenspeck, in his official capacity as treasurer" as "Committee"). Report Recommendation Numbers 1, 3 and 4, however, erroneously refer to the respondent committee as "Wortman for Congress." The Certification tracks the Report Recommendations.

The Office of General Counsel requests that the Commission authorize the Commission Secretary to issue a corrected Certification that deletes the references to "Wortman for Congress" and instead inserts "Friends of Wortman for Congress" in the Certification Recommendation Numbers 1, 3 and 4. Because the bases for the corrected Certificate were set forth in the First General Counsel's Report, this Office requests that the Commission approve the issuance of a corrected Certification in this matter on a 24 Hour No Objection basis.
